Instructions

PATIO PROPANE HEATER

Operating Instructions

- DO NOT modify the heater.
- Use only propane gas.
- Use only the hose and regulator assembly provided with the heater.
- This heater is for **OUTDOOR USE ONLY**. DO NOT USE in buildings, garages or other enclosed spaces.
- If at any time gas odor is detected, **IMMEDIATELY DISCONTINUE** operation.
- Install heater such that it is not exposed to water spray, rain and/or dripping water.
- Maintain minimum clearance to people or material of 3.6 ft from top and 2 ft from reflector.
- Do not hang or attach clothing or material on or near the heater.
- Do not spray aerosols neat the heater during or after heater use.
- Do not clean heater.
- Do Not adjust gas regulator.
- Place control knob on "OFF" position when heater is not in use.
- Always disconnect the gas supply after the heater is turned "OFF".
- Care must be taken for the supervision of children and animals near the heater.
- Do not move or handle while hot or burning.
- Allow 45 minutes to cool down after use before attempting to move heater.
- Do not operate in windy conditions. Max wind speed is 12 mph.
- Do not operate in temperatures below 40 degrees F.
- Keep heater away from areas where flammable vapors or solids are stored or used.

Helpful Hints

- Use only outdoors!
