## Instructions

# QUEBBIE

## Operating Instructions

- **To make your User list -**
- Touch "load user list 1" on Quebbie main screen Touch "Search"
- Type artist/song you are looking for Touch the song you want to add
- Touch "Add"
- If there are more songs from this search you want to add, touch song you want, touch "add", repeat until you are ready for new search.
- Touch Clear search box. Type in next artist/song you are looking for.
- Repeat above steps until finished with songs for your user list.
- When done, Touch "programs" Touch "save user list" Touch "save user list 1" Touch " yes" when asked about this playlist as user list 1.
- To check your saved user list, touch "load user list", touch "user list 1".
  - **When operating or transporting** your Music Systems be aware that Quebbie contains sensitive computer components and *should be handled as you would any high end electronic component- with great care and fully aware of any shock that the system might endure during set up and transportation.*
  - *Always connect the system to the electrical grid through a reliable power source and via an Uninterruptible power supply ( ups )- not doing so will jeopardize applicable warranties.*
  - The system needs to be **operated while stored in an a well ventilated location.** The system components produce heat during operation and overheating can harm reliability of the system.
  - **Please turn the system off using the "shutdown" button** in the bottom corner of your screen. This will guarantee that the system shuts down all it's functionality in a correct manner,

*simply unplugging the system while it's operating might result in un-repairable damage to the system or it's music database.*

## Please relay these rules to anyone operating the system
